GENERAL INFORMATION

The financial statements cover The Royal Society for the Prevention of Cruelty to Animals, Western Australia as an individual entity. The financial statements are presented in Australian dollars, which is RSPCA WA's functional and presentation currency.

The financial statements were authorised for issue on 5 October 2021.

Directors' Report

The Directors of The Royal Society for the Prevention of Cruelty to Animals, Western Australia ("RSPCA WA") present the following annual report of the company for the financial year ended 30 June 2021.

INFORMATION ABOUT THE DIRECTORS

The names and particulars of the Directors of the company during or since the end of the financial year are:

Lynne Bradshaw	30+ years in business development in healthcare, AICD	Chairperson
Darren Smith	B.E. Mech, Exec Program in Competition and Strategy Harvard School, AICD	Deputy Chairperson
Ian Cowie	M.S. (Econs), B.A. (Hons)	Non-executive Director
Michelle Mackenzie	M.A. (Public Policy), B Mus/B.A. (Hons), AdvDip Management, GAICD	Non-executive Director
Giselle di San Marzano	BJuris/LLB, Barrister & Solicitor	Non-executive Director
Michelle De Ronchi	GradCert Infection Control and Palliative Care, CertIV Workplace Assessment and Training, Dipl Nursing and Midwifery, Dipl Frontline Management, AICD	Non-executive Director
Alice Manners	M.A (Psychology), AICD	Non-executive Director
Jamie Hamilton	BCom (Accounting and Finance), GradDipAppFin, CA	Non-executive Director
Gregory Paust	AICD, MBA, B. Agr. Sc	Non-executive Director

The above named Directors held office during the whole of the financial year and since the end of the financial year unless otherwise stated.

The name and qualifications of the Secretary of the company during or since the end of the financial year are:

Melanie Power	BComm, AGIA, ACIS, CA, ATI	26 April 2019 – 25 Aug 2020
Daniel Buckley	BBus, CA, RCA	18 Aug 2020 – present

Directors' Meetings

PRINCIPAL ACTIVITIES, OBJECTIVES AND PERFORMANCE

The long-term objective of the organisation is to prevent or suppress cruelty to animals, and in doing so, do all such lawful acts as the company may consider conducive or incidental to the attainment of these purposes, and establish and operate the Public Fund.

Activities may include the application of resources to ensure the enforcement of laws protecting animals from cruelty and promoting animal welfare; take whatever steps are necessary to educate the community with regard to the humane treatment of animals; sustain an informed public opinion regarding animal welfare; disperse information on the care, protection and treatment of animals; procure the passage of such amending or new legislation and policy as is necessary for the protection of animals; conduct, manage, operate or encourage clinics, hospitals, homes or shelters for the care, treatment, maintenance and protection of animals, and develop and maintain productive relationships with key stakeholders for the benefit of animal welfare.

DETAILS OF MEMBERSHIP

The RSPCA WA is a public company limited by guarantee operating in Western Australia. The guarantee is $10 per member and at 30 June 2021 there were 214 members (216 members in 2020.

REVIEW OF OPERATIONS

RSPCA WA recorded a net surplus of $4,262,232 for the 2021 financial year (2020 net surplus $3,081,150). Total income amounted to $13,409,956 (2020: $11,559,417). Bequest income for 2021 totalled $5,657,434 (2020: $3,635,411). Grants income totalled $2,096,659 in 2021 ($2,347,451 in 2020) with $731,600 being directly related to Government COVID-19 related subsidies (such as Job Keeper Subsidy and an ATO cash boost). Grant funds of $437,699 was received in 2021 that was directly related to the purchase of capital items such as the refurbishment of kennel blocks and IT infrastructure.

The refurbishment of two kennel blocks was finalised by the end of 2021, this resulted in a reduction of 50% in dog capacity for the majority of the year with capacity likely to increase in July 2021. Other refurbishments completed in 2021 and funded by reserves include the essential replacement of Inspectorate vehicles and construction of a new fit-for-purpose vet clinic.

Total expenditure for the 2021 financial year was $9,147,724, up from $8,478,267 in the previous year. Total incoming animals was in line with the previous year, with 60% coming from Inspectorate activities. Animals taken in by the Inspectorate tend to stay for longer periods of time due to requiring higher levels of care and support.

CHANGES IN STATE OF AFFAIRS

No changes in the company's state of affairs.

SUBSEQUENT EVENTS

The impact of the Coronavirus (COVID-19) pandemic is ongoing and while it has not had a major financial impact on the entity up to 30 June 2021, it is not practicable to estimate the potential impact, positive or negative, after the reporting date. The situation is continually developing and is dependent on measures imposed by the Australian Government and other countries, such as maintaining social distancing requirements, quarantine, travel restrictions and any economic stimulus that may be provided.

No other matter or circumstance has arisen since 30 June 2021 that has significantly affected, or may significantly affect the entity's operations, the results of those operations, or the entity's state of affairs in future financial years.

ENVIRONMENTAL REGULATION

The organisations operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of State or Territory.

INDEMNIFYING OFFICER

The organisation paid a premium in respect of a contract insuring the directors (as named above), the company secretary and all executive officers against liability incurred as such a director, secretary or executive officer to the extent permitted by the Law.

The organisation has not otherwise during or since the financial year, except to the extent permitted by law, indemnified or agreed to indemnify an officer of the organisation or of any related body corporate against liability incurred as such as officer or auditor.

PROCEEDINGS ON BEHALF OF COMPANY

No person has applied for leave of court to bring proceedings on behalf of the company or intervene in any proceedings to which the organisation is party for the purpose of taking responsibility on behalf of the organisation for all or any part of those proceedings. The organisation was not a party to any such proceedings during the financial year.

The Directors report is signed in accordance with the resolution of the Directors.

On behalf of the Directors

Lynne Bradshaw
Chairperson / Director
Perth, 5 October 2021

Darren Smith
Deputy Chairperson / Director
Perth, 5 October 2021

Directors' Declaration

In the directors' opinion, the company is not a reporting entity because there are no users dependent on general purpose financial statements.

These are special purpose financial statements that have been prepared for the purposes of complying with the *Australian Charities and Not-for-profits Commission Act 2012*, the *Corporations Act 2001 (Cth)*, the *Charitable Collections Act 1946 (WA)* and the *Charitable Collections Regulations 1947 (WA)*. The Directors have determined that the accounting policies adopted are appropriate to meet the needs of the members of RSPCA WA.

The Director(s) of the company declare that in the Directors' opinion:

a) The financial report and notes:

   i. comply with Accounting Standards and other mandatory professional reporting requirements; and

   ii. give a true and fair view of the company's financial position as at 30 June 2021 and of its performance for the financial year ended on that date; and

b) In accordance with subsection 60.15(2) of the *Australian Charities and Not-for-profit Commission Regulation 2013*:

   i. there are reasonable grounds to believe that the company is able to pay all of its debts, as and when they become due and payable; and

   ii. the financial statements and notes satisfy the requirements of the A*ustralian Charities and Not-for-profits Commission Act 2012*.

The Royal Society for the Prevention of Cruelty to Animals, Western Australia
Notes to the Financial Statements for the financial year ended 30 June 2021

Note 1: Significant Accounting Policies

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

In the Directors' opinion, the entity is not a reporting entity because there are no users dependent on general purpose financial statements. The financial statements are special purpose financial statements that have been prepared for the purpose of complying with the *Australian Charities and Not-for-profits Commission Act 2012*, the *Charitable Collections Act 1946 (WA)* and the *Charitable Collections Regulations 1947 (WA)* that apply for the reporting period and the *Corporations Act 2001*. The Directors have determined that the accounting policies adopted are appropriate to meet the needs of the members of RSPCA WA.

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') and the disclosure requirements of AASB 101 'Presentation of Financial Statements', AASB 107 'Statement of Cash Flows', AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors', AASB 1048 'Interpretation of Standards' and AASB 1054 'Australian Additional Disclosures', as appropriate for not-for-profit oriented entities.

Critical accounting estimates

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 1(u).

New or amended Accounting Standards and Interpretations adopted

The entity has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

(a) Income Tax

As the Company is a charitable institution in terms of Subsection 50–5 of the *Income Tax Assessment Act 1997*, as amended, it is exempt from paying income tax.

(b) Inventories

Inventories for sale are measured at the lower of cost and net realisable value. Inventories not for resale or use with no recharge are valued at fair value. Donated inventories which are not able to be valued are carried at nil value in the Statement of Financial Position.

(c) Property, Plant and Equipment

Each class of property, plant and equipment is carried at historical cost less accumulated depreciation and impairment. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Items of plant and equipment are depreciated over their estimated useful lives to their estimated residual value on a diminishing value or straight line basis so as to write off their value progressively over their estimated useful lives commencing from the time the asset is ready for use.

The following depreciation rates are used:

Buildings	15 to 40 yrs	straight line based on the effective life of the asset.
Motor vehicles	4 to 8 yrs	diminutive based on the effective life of the asset.
Software, Plant and equipment	1 to 8 yrs	diminutive and straight line based on the effective life of the asset.
Infrastructure & outbuildings	5 to 30 yrs	straight line based on the effective life of the asset.
Intangible assets	1 to 3 yrs	diminutive based on the effective life of the asset.

The residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each reporting date. An item of property, plant and equipment is derecognised upon disposal or when there is no future economic benefit to the Company.

Gains and losses on disposals are determined by comparing proceeds to the carrying amount of the asset. These are included in the statement of profit or loss and other comprehensive income.

Note 1: Significant Accounting Policies (continued)

(d) Right-of-use assets

A right-of-use asset is recognised at the commencement date of a lease. The right-of-use asset is measured at cost, which comprises the initial amount of the lease liability, adjusted for, as applicable, any lease payments made at or before the commencement date net of any lease incentives received, any initial direct costs incurred, and, except where included in the cost of inventories, an estimate of costs expected to be incurred for dismantling and removing the underlying asset, and restoring the site or asset.

Right-of-use assets are depreciated on a straight-line basis over the unexpired period of the lease or the estimated useful life of the asset, whichever is the shorter. Where the entity expects to obtain ownership of the leased asset at the end of the lease term, the depreciation is over its estimated useful life. Right-of-use assets are subject to impairment or adjusted for any remeasurement of lease liabilities.

The entity has elected not to recognise a right-of-use asset and corresponding lease liability for short-term leases with terms of 12 months or less and leases of low-value assets. Lease payments on these assets are expensed to profit or loss as incurred.

(e) Lease liabilities

A lease liability is recognised at the commencement date of a lease. The lease liability is initially recognised at the present value of the lease payments to be made over the term of the lease, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the entity's incremental borrowing rate. Lease payments comprise of fixed payments less any lease incentives receivable, variable lease payments that depend on an index or a rate, amounts expected to be paid under residual value guarantees, exercise price of a purchase option when the exercise of the option is reasonably certain to occur, and any anticipated termination penalties. The variable lease payments that do not depend on an index or a rate are expensed in the period in which they are incurred.

Lease liabilities are measured at amortised cost using the effective interest method. The carrying amounts are remeasured if there is a change in the following: future lease payments arising from a change in an index or a rate used; residual guarantee; lease term; certainty of a purchase option and termination penalties. When a lease liability is remeasured, an adjustment is made to the corresponding right-of-use asset, or to profit or loss if the carrying amount of the right-of-use asset is fully written down.

(f) Going concern

The financial statements have been prepared on the ongoing basis, which assumes the continuity of normal business activities and realisation of assets and the settlement of liabilities in the ordinary course of business. The Directors believe that the going concern basis for preparation is appropriate.

In reaching this conclusion, the Directors have contemplated the following mitigating factors to address the continuing impact from COVID-19:

- Our expectation is that the amount of donations, bequests and grant funding received will be similar to prior years
- We have the ability to scale back operations and cash outflows if funding is not available
- We expect we will be able to hold our major fundraising events as planned and
- Ability to fund essential operations from reserves

(g) Trade and other receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less loss allowance.

From 1 July 2020, the Company assessed expected credit losses (ECLS) associated on a forward-looking basis. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive. The shortfall is then discounted at an approximation to the asset's original effective interest rate.

The Company assesses at each balance date whether there is objective evidence that a financial asset or group of financial assets is impaired. For trade and other receivables, the Company applies the simplified approach permitted by AASB 9, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Note 1: Significant Accounting Policies (continued)

(h) Investments and other financial assets

AASB 9 Financial Instruments replaces the provisions of AASB 139 Financial Instruments: Recognition and Measurement that relate to the recognition, classification and measurement of financial assets and financial liabilities, derecognition of financial instruments, impairment of financial assets and hedge accounting.

Certain investments were reclassified from financial assets available-for-sale to financial assets at fair value through other comprehensive income (FVOCI). They do not meet the AASB 9 Criteria for classification at amortised cost, because their cash flows do not represent solely payments of principal and interest.

Classification and measurement

Financial assets are classified, at initial recognition, and subsequently measured at amortised cost, fair value through profit or loss and fair value through other comprehensive income. The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Company's business model for managing them. The Company's financial assets at amortised cost includes trade receivables, and financial assets at fair value through other comprehensive income that include equity instruments under non-current financial assets.

Equity Instruments

The Company elected to present in OCI changes in the fair value of all its equity investments previously classified as available-for-sale, because these investments are held as long-term strategic investments that are not expected to be sold in the short to medium term. In this event, there is no subsequent reclassification of fair value gains and losses to profit or loss following the derecognition of the investment. Dividends from such investments continue to be recognised in the profit or loss as other income when the Group's right to receive payments is established.

(i) Financial liabilities

Financial liabilities are derecognised where they relate to obligations either discharged, cancelled or expired. The difference between the carrying value of the financial liability extinguished or transferred to another party at fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed is recognised in the statement of profit or loss and other comprehensive income.

(j) Impairment of Assets

At each reporting date, the Company reviews the carrying value of its definite useful life tangible and intangible assets to determine if whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed in the statement of profit or loss and other comprehensive income. Intangible assets that have an indefinite useful life are assessed for impairment annually as required by the standard. The assessment process is the same as definite useful life assets where an indication of impairment exists.

Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

(k) Employee Benefits

Short term Employee Benefits

Short term employee benefits are employee benefits (other than termination benefits) which fall due wholly within 12 months after the end of period in which those services were rendered. They comprise wages, salaries and short-term compensation absences payable within 12 months and non mandatory benefits such as salary continuance and permanent and temporary insurance benefits.

Other long term employee benefits

Other long term employee benefits include long service leave payable 12 months or more after the end of the period in which employee services are rendered. Recognition of long service leave commences when the employee has reached 5 years of service and under legislation can be paid out after 7 years of service.

Note 1: Significant Accounting Policies (continued)

(l) Cash and cash equivalents

Cash and cash equivalents which include cash on hand, cash in banks and other short term highly liquid investments.

(m) Revenue Recognition

The entity recognises revenue as follows:

Revenue from contracts with customers

Revenue is recognised at an amount that reflects the consideration to which the entity is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the entity: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

Sale of Goods

Revenue from the sale of goods is recognised at the point in time when the customer obtains control of the goods, which is generally at the time of delivery.

Rendering of Services

Revenue from a contract to provide services is recognised over time as the services are rendered. Events, fundraising and raffles are recognised when received or receivable.

Donations and bequests

Donations are recognised at the time of receipt. Material donations of good in kind are recognised as income at the fair value of the underlying asset received.

Grants

Recognition of grant income is dependent on the specific terms under the grant agreement:

i. The grant contract is enforceable and contains sufficiently specific performance obligations (Grant income under AASB 15):
   – Grant revenue is recognised in profit or loss when the entity satisfies the performance obligations stated within the funding agreements. If conditions are attached to the grant which must be satisfied before the entity is eligible to retain the contribution, the grant will be recognised in the statement of financial position as a liability until those conditions are satisfied.

ii. The grant is a transfer to enable the entity to acquire or construct a non-financial asset that the entity will control after acquisition or construction (Capital grant):
   – Grant income is deferred and recognised over the period of construction.

iii. All other grants (grant income under AASB 1058):

Assets arising from grants in the scope of AASB 1058 are recognised at the assets fair value when the asset is received. The entity considers whether there are any related liability or equity items associated with the asset which are recognised in accordance with the relevant accounting standard. Once the assets and liabilities have been recognised then income is recognised for any remaining asset value at the time that the asset is received.

Interest

Interest revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

Other revenue

Other revenue is recognised when it is received or when the right to receive payment is established.

Volunteer services

The entity has elected not to recognise volunteer services as either revenue or other form of contribution received. As such, any related consumption or capitalisation of such resources received is also not recognised.

Note 1: Significant Accounting Policies (continued)

(n) Contract assets

Contract assets are recognised when the entity has transferred goods or services to the customer but where the entity is yet to establish an unconditional right to consideration. Contract assets are treated as financial assets for impairment purposes.

(o) Contract liabilities

Contract liabilities represent the entity's obligation to transfer goods or services to a customer and are recognised when a customer pays consideration, or when the entity recognises a receivable to reflect its unconditional right to consideration (whichever is earlier) before the entity has transferred the goods or services to the customer.

(p) GST

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST included is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of the item of the expense. Receivable and payables in the Statement of Financial Position are shown inclusive of GST.

(q) Comparative figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(r) Trade and other payables

These amounts represents liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition.

(s) Fair value measurement

When an asset or liability, financial or non-financial, is measured at fair value for recognition or disclosure purposes, the fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date; and assumes that the transaction will take place either: in the principal market; or in the absence of a principal market, in the most advantageous market.

Fair value is measured using the assumptions that market participants would use when pricing the asset or liability, assuming they act in their economic best interest. For non-financial assets, the fair value measurement is based on its highest and best use. Valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, are used, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

(t) Current and non-current classification

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is current when: it is expected to be realised or intended to be sold or consumed in normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within twelve months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

A liability is current when: it is expected to be settled in normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within twelve months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. All other liabilities are classified as non-current.

(u) Critical accounting estimates and judgements

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. The Company evaluates estimates and judgements incorporated into the Financial Statement based on historical knowledge and best available current information.

Estimates assume a reasonable expectation of future events and are based on current trends and economic data.

Note 1: Significant Accounting Policies (continued)

(u) Critical accounting estimates and judgements (continued)

Long service leave provision

As discussed in note 1(k), the liability for long service leave is recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

Estimation of useful lives of assets

The Company determines the estimated useful lives and related depreciation and amortisation charges for its property, plant, and equipment and intangible assets. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated useful lives, or technical obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

*Note: Asset additions includes capital works still in progress.

Land and buildings included an amount of $2,187,110 (2020: $1,935,604) representing the carrying value of its building at the Malaga site. The Malaga buildings and grounds are situated on Crown Land, held as a reserve under a management order with the Company as the primary interest holder, which states that the land must be used for the purpose of an approved activity. In the event that the usage of the site no longer complies with its restricted use, the Governor of the State of Western Australia has the power to cancel the management order, in which case the value of the buildings improvements thereon may be forfeited.

Note 17: Fair Value Measurement

AASB 13 requires disclosure of fair value measurements by level of the following fair value measurement hierarchy:

Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1);

Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly (level 2); and

Inputs for the assets or liability that are not based on observable market data (unobservable inputs) (level 3).

The following table presents the Company's financial assets and financial liabilities measured and recognised at fair value at 30 June 2021 on a recurring basis:

30 June 2021	**Level 1**	**Level 2**	**Level 3**	**Total**
Assets	$	$	$	$
Financial assets at fair value through other comprehensive income	5,957,194	–	–	5,957,194
	5,957,194	**–**	**–**	**5,957,194**

30 June 2020	**Level 1**	**Level 2**	**Level 3**	**Total**
Assets	$	$	$	$
Financial assets at fair value through other comprehensive income	3,139,638	–	–	3,139,638
	3,139,638	**–**	**–**	**3,139,638**

The Company did not measure any other financial assets or financial liabilities at fair value on a non-recurring basis as at 30 June 2021 and did not transfer any fair value amounts between the fair value hierarchies during the year ended 30 June 2021.

Note 18: Contingent Liabilities and Contingent Assets

The company had no contingent liabilities and assets as at 30 June 2021 (2020: nil).

Note 19: Commitments

The company has no other commitments as at 30 June 2021.

Note 20: Events after the Reporting Date

The impact of the Coronavirus (COVID-19) pandemic is ongoing and while it has not had a major financial impact on the entity up to 30 June 2021, it is not practicable to estimate the potential impact, positive or negative, after the reporting date. The situation can rapidly develop and is dependent on measures imposed by the Australian Government and other countries, such as maintaining social distancing requirements, quarantine, travel restrictions and any economic stimulus that may be provided.

No other matter or circumstance has arisen since 30 June 2021 that has significantly affected, or may significantly affect the entity's operations, the results of those operations, or the entity's state of affairs in future financial years.

Note 21: Members' guarantee

The Company is incorporated under the *Corporations Act 2001* and is a company limited by guarantee. If the Company is wound up, the constitution states that each member is required to contribute a maximum of $10 towards meeting any outstanding obligations of the entity. At 30 June 2021, the total amount that members of the company are liable to contribute if the Company is wound up is $2,140 (2020: $2,160).

INDEPENDENT AUDITOR'S REPORT

To the members of The Royal Society for the Prevention of Cruelty to Animals, Western Australia ("RSPCA WA")

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of RSPCA WA (the registered entity), which comprises the statement of financial position as at 30 June 2021, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial report, including a summary of significant accounting policies, and the responsible entities' declaration.

In our opinion the accompanying financial report of RSPCA WA, is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

(i) Giving a true and fair view of the registered entity's financial position as at 30 June 2021 and of its financial performance for the year then ended; and

(ii) Complying with Australian Accounting Standards to the extent described in Note 1 and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report. We are independent of the registered entity in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* (ACNC Act) and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter – Basis of accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the registered entity's financial reporting responsibilities under the ACNC Act. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

BDO Audit (WA) Pty Ltd ABN 79 112 284 787 is a member of a national association of independent entities which are all members of BDO Australia Ltd ABN 77 050 110 275, an Australian company limited by guarantee. BDO Audit (WA) Pty Ltd and BDO Australia Ltd are members of BDO International Ltd, a UK company limited by guarantee, and form part of the international BDO network of independent member firms. Liability limited by a scheme approved under Professional Standards Legislation.

Responsibilities of responsible entities for the Financial Report

The responsible entities of the registered entity are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the ACNC Act and the needs of the members. The responsible entities' responsibility also includes such internal control as the responsible entities determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the responsible entities are responsible for assessing the registered entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the responsible entities either intend to liquidate the registered entity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website (http://www.auasb.gov.au/Home.aspx) at:

http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf

This description forms part of our auditor's report.

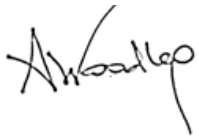
DECLARATION OF INDEPENDENCE BY ASHLEIGH WOODLEY TO THE BOARD OF DIRECTORS OF THE ROYAL SOCIETY FOR THE PREVENTION OF CRUELTY TO ANIMALS, WESTERN AUSTRALIA ("RSPCA WA")

As lead auditor of RSPCA WA for the year ended 30 June 2021, I declare that, to the best of my knowledge and belief, there have been:

1. No contraventions of the auditor independence requirements of section 60-40 of the *Australian Charities and Not-for-profit Commission Act 2012* in relation to the audit; and
2. No contraventions of any applicable code of professional conduct in relation to the audit.



Ashleigh Woodley

Director
